

## EndNote explained on the desktop and the web

As one of the most popular referencing tools around, EndNote is available in several guises – there's the full-featured, most powerful desktop edition, which provides 2-year access to premium referencing EndNote features online. Web of Knowledge (WoK) subscribers also have access to EndNote capabilities online. Then there's EndNote Basic, which provides a free but much more limited feature set.

Our comparison chart below lists which features and functionality is offered by all available variants of EndNote.

	<b>EndNote</b>		<b>EndNote Basic</b>
	Desktop purchase includes 2 year access to premium EndNote online features		Free
	<b>STANDARD FEATURE SET WITHOUT WoK SUBSCRIPTION</b>
